

County Employee Salaries

The following abbreviations are used throughout this Section:

Preferred Title	The title the county uses locally to describe this role.
As Of	The date the stated salary goes into effect.
Hr/Yr	The hours per year that form the basis for the salary.
Inc	Incumbents, the number of employees in a position. When this is zero, the position is vacant.
Min	The minimum salary in the salary range for the position.
Mid	A calculated midpoint equal to the average of the min and max salaries in the range.
Max	The maximum salary in the salary range for the position. This may exclude longevity increases.
Avg	The average of actual salaries for this position. In the case that this position is held by one employee, this is the employee's actual salary.
Updated	This is the date when the survey was last updated by the county. Fiscal year 2019 salary data was uploaded on 7/29/2019.
Average	Calculated averages of the data included. Zeros do not affect the averages.
# of Respondents	The number of counties who provided data for this position.
Standard Deviation	A measure of the deviation between salaries for this position between counties.
Standard Error	A measure of the deviation of the salaries listed from the mean of the salaries.

Job # 20010 - COMMUNICATIONS CENTER/911 DIRECTOR/MANAGER

Under general supervision of the Director of Emergency Services, assigned ranking officer, or Appointed/Elected Official, this administrator position is responsible for leadership, management, planning, supervision and operation of the Public Safety Answering Point (PSAP), including next generation 9-1-1 (NG911), law enforcement, emergency medical services and fire dispatch. The administrator may work as a staff liaison to an advisory board representing user departments of the communication system. Responsible for the overall leadership and management of the Public Safety Emergency Communications Center including the direction, administration and overall design, configuration and operation of the Computer Aided Dispatch (CAD) system, NG911 phone system and oversee the administration and maintenance of the radio system. Works to coordinate and manage the PSAP staffing, training, operational activities, functions and services for assigned personnel. Works to resolve operational, technical and personnel related problems. Manages, supervises, appraises, and directs the activities of assigned staff; authorizes or makes recommendations regarding hiring, discipline and advancement of employees. Develops and manages annual PSAP budget, tracks and monitors expenditures and allocated funds. Develops, implements and maintains policies, procedures, guidelines and protocols which provide for the effective and efficient operation of the PSAP and the delivery of emergency communications services to the citizens. Develops a long-term communications plan. Ensures compliance with policies, procedures and laws applicable to the operation of the PSAP, to include Federal Communications Commission (FCC) code and regulations.
