RE: 2019 Summer Conference Exhibit Application

You are invited to exhibit at the Maryland Association of Counties (MACo) Summer Conference on August 14 –16, 2019, at the Roland Powell Convention Center in Ocean City, MD.

MACo’s Summer Conference attracts more than 2,000 of Maryland’s county leaders, legislators, State government officials, and commercial and nonprofit representatives. Being visible at this event allows you access to everyone involved or related to local government, all in one place.

In addition to our 25 educational sessions, attendees will participate in workgroups, meetings, and briefings that will affect county government practices and policy. The theme this year is “Winds of Change” and will focus on the changes being seen at every level of government and constituent services and how counties are harnessing that momentum for the good of all Marylanders. From the digital revolution of service delivery and communication to the always evolving threats to public safety, county governments need to be on the cutting edge of these changing times to meet the needs of their residents. Topics will include transforming approaches to economic trends, climate change, land use, millennials in the workforce, and education, among many others.

Following is the Exhibitor Brochure. Submit the included signed contract with a non-refundable deposit of 50% of the total booth cost to reserve your space. To ensure a space reservation, please return your completed contract as soon as possible. Booth space will be assigned on a first-come, first-served basis and will sell out quickly.

For sponsorship opportunities, please watch your email for the upcoming brochure and/or contact Nicolette Querry (nquerry@mdcounties.org). Visit the MACo website (www.mdcounties.org) for more sponsorship information as it becomes available.

Once again, this year, in addition to Exhibit Hall A/B, we’ll be using the Bayfront Ballroom on the second floor of the Convention Center. Our county booths will be housed in the Ballroom, along with continental breakfasts and lunches on Thursday and Friday.

AGAIN THIS YEAR: We’re hosting 5 interactive exhibits in Bayfront Hall with 10’ x 20’ footprints. These are for educational, walk-through, hands-on displays that offer an interactive learning experience for our attendees. Want to show a demo on the dangers of texting and driving? Promote a museum exhibit? Let attendees experience a virtual reality headset? Here’s your chance!

Bayfront Hall offers a beautiful view of the Isle of Wight Bay and is the home of our special Taste of Maryland Reception. Attendees can sample Maryland’s local creameries, bakeries, wineries, and other local food and beverage products at the highly attended Reception.

Please see the Exhibits At-a-Glance (page 5) for more details on the two exhibit halls, exhibit fees, and what’s included.

Exhibiting at this conference is the best way to highlight your product or service for county elected officials and establish your company or organization as a leader in your field and as a partner for county governments.

MACo is looking forward to an exciting 2019 conference and we hope you will join us.
Please feel free to call me at 410.269.0043 or email me at lvelasco@mdcounties.org.

The Reception will be in the Bayfront Hall on Thursday, August 15, from 4:30 pm—6:30 pm. Each exhibit booth will receive 2 tickets to the Taste of Maryland Reception and Bayfront Ballroom exhibitors are asked to staff their booths and provide tasting samples (maximum sample sizes: 2 oz food; 2 oz wine; and 4 oz nonalcoholic beverages).

Heavier hors d’oeuvres will be offered in addition to the tasting samples so that this event will function more like a meal. The larger space in the Bayfront Hall will ensure that all of our guests have an opportunity to visit our county and tourism booths.

Exhibit Hall A/B will close at 4:30 pm so that Hall A/B exhibitors and attendees can all participate in the Taste of Maryland Reception and network over some of our wonderful Maryland wines, cheeses, popcorn...and more!

WEDNESDAY TECH EXPO

WHAT IS THE TECH EXPO?

- **FREE.** That's right - it's free to participate as a vendor in the Tech Expo tradeshow if you register as a vendor in the larger tradeshow and have a technology-focused product or service to showcase.

  *Here's the catch:* you have to bring technology that you can actively demonstrate to our attendees.

- **5-hour exhibiting opportunity for an exclusive set of technology vendors.** Vendors will receive a 6-foot table for a table-top display on Wednesday, August 14, 2019 from 11:00 am until 4:00 pm at the convention center in Ocean City. 2 badges and 2 Wednesday lunch tickets for your staff are also included. Additional badges and tickets are available for purchase.

- **Part of our larger Tech Expo offering.** The day will include 2 deep-dive sessions on technology topics that will attract local government officials, staff, and stakeholders most interested in experiencing the latest technology first-hand.

- **Your opportunity to get extra exposure to MACo's Summer Conference attendees.** The Expo is included in all conference attendee registrations. Last year, we had more than 250 individuals view the Tech Expo exhibits! We're expecting a heavy turn-out of county elected and appointed officials and staff, along with legislators, state government, and commercial representatives who may be interested in the technology you will be demonstrating.

*The fine print:*

- **The Tech Expo Tradeshow on Wednesday and the Conference Tradeshow on Thursday & Friday are two different and separate events.** Registering for the Tech Expo Tradeshow DOES NOT register you for the Conference Tradeshow, and vice versa.

- Vendors already registered for the Conference Tradeshow on Thursday & Friday may register to participate in the Tech Expo Tradeshow on Wednesday - we will be sure you have an early load-in time on Wednesday morning so that you have time to set up both displays. But you must register for BOTH tradeshows.

- Contact lvelasco@mdcounties.org to register for the Tech Expo!
