Maryland Agricultural & Resource-Based Development Corp.	The Maryland Agricultural and Resource-Based Industry Development Corporation (MARBIDCO) is an economic development financial intermediary organization established to promote the continued viability of Maryland's agriculture, forestry, and seafood industries. A major objective of MARBIDCO is to help agricultural and resource-based businesses to innovate, diversify and exploit emerging market opportunities in food and fiber production and agri-tourism. The programming offered by the Corporation is also designed to help increase rural business sustainability and profitability while at the same time contributing to the preservation of Maryland's rural working landscape of productive farms and forests. MARBIDCO's core programming involves the making of low-cost loans for land, equipment and working capital (working in conjunction with commercial lenders), as well as grants for specialized rural business development assistance. The Corporation has also been tasked with assisting State and county land preservation agencies in facilitating installment or "critical farm" easement sale purchases, as well as, a new "Next Generation" young farmer land purchase assistance and farmland preservation program.	614	www.marbidco.org
Maryland Agricultural Education Foundation, Inc.	The Maryland Agricultural Education Foundation is celebrating over 25 years promoting the understanding and appreciation of agriculture in our daily lives. We do this through pre-k through post secondary education.	419	http://www.maefonline.com
