Hughes Center for Agro-Ecology is an affiliated foundation with the University of Maryland, College of Agriculture and Natural Resources. The Center brings together diverse interests from the agricultural, forestry and environmental communities for the purpose of retaining Maryland's working landscapes and the industries they support while protecting and improving the health of the Chesapeake Bay and its tributaries. The Center accomplishes this by finding applied research that is used to create policies and new management practices as well as promote policy change and to educate and reach the public through workshops, conferences, newsletters, and the Center's website:  <a href="https://agresearch.umd.edu/agroecol">https://agresearch.umd.edu/agroecol</a>.</p>	706	<a href="http://www.agresearch.umd.edu/agroecol">www.agresearch.umd.edu/agroecol</a>

Local Government Insurance Trust	<p>For nearly 30 years, Maryland's local governments have covered their primary and excess liability, auto, environmental, property and equipment breakdown insurance needs through the Local Government Insurance Trust (LGIT). Founded in 1987 by act of the Maryland General Assembly through the joint efforts of the Maryland Municipal League (MML) and the Maryland Association of Counties (MACo) LGIT is owned and managed by its members. LGIT's purpose is to meet local government risk management needs - not to make a profit by selling insurance. Because of LGIT, local governments know they now have coverage available to them at stable rates and predictable costs - regardless of private insurance industry cycles. LGIT also provides a wide variety of Risk Management services including: Training, Grants, the LGIT Online Campus and the HR Compliance Portal helping Members with their HR needs. On July 1, 2010, LGIT partnered with CIGNA and Benecon to provide local governments an alternative for their health insurance needs with the Maryland Local Government Health Cooperative (MLGHC) now called LGIT</p>	507	<a href="http://www.lgit.org">www.lgit.org</a>

Maryland Agricultural & Resource-Based Industry Development Corp.	<p>The Maryland Agricultural and Resource-Based Industry Development Corporation (MARBIDCO) is an agricultural development financial intermediary organization established to promote the continued viability of Maryland's farming, forestry, and seafood industries. A major objective of MARBIDCO is to help agricultural and resource-based businesses to start, expand, diversify and exploit emerging market opportunities in food and fiber production, with an emphasis on helping young and beginning farmers get access to affordable capital and credit. MARBIDCO's core programming involves the making of low-cost loans for farmland and capital equipment purchases (often working in conjunction with commercial lenders), as well as, incentive grants for county project matching funds and farm value added processing activities. Moreover, MARBIDCO can finance food production activities in all regions of the State, including in urban areas. The Corporation has also been tasked, as a conduit revenue bond issuer, with assisting State and county land conservation agencies in facilitating installment purchase</p>	614	<a href="http://www.marbidco.org">http://www.marbidco.org</a>

Wye River Group	Wye River Group is a leading national independent municipal financial advisor to state and local government. Headquartered in Annapolis, the firm is registered with the SEC and MSRB and serves a number of Maryland agencies and municipalities as financial advisor in connection with bond financings, capital planning projects and economic development projects.	529	<a href="http://www.wyeriver.com">www.wyeriver.com</a>
Zelenkofske Axelrod, LLC	Zelenkofske Axelrod LLC (ZA) is a Pennsylvania based regional CPA firm employing over 45 professionals, with offices in Harrisburg, Greensburg, Pittsburgh, and Greater Philadelphia; Dover, Delaware, and expanding into Maryland, that specializes in providing auditing, accounting and consulting services to governmental entities. ZA's growth over the years has been through specialization in the governmental industry. They are leaders in providing accounting, auditing, and consulting services to governmental entities of all types - that's why so many of these entities, large and small, engage in their services. Their clients include counties, component units of the state, townships, boroughs, authorities, cities, and school districts. Not all CPA firms specialize in the complexity of accounting and auditing standards which govern these entities. They do! Their partners and directors have worked in the Big 4 accounting firms and have brought their experience to Zelenkofske Axelrod LLC to grow their governmental practice to where it is today. The quality of their work is second to non, particularly in the Government	306	<a href="http://www.zallic.org">www.zallic.org</a>
